Designated Landmark Eligible -YES
National Register Eligible - YES
Inside Historic District (contributes) –NO
Theme – Industry Era

Narrative Description of Property: This is a 2 story wood frame residence built about 1904 built in the Colonial Revival. The home has wood clapboard siding, a metal roof and a stone foundation. There is a brick chimney penetrating the hip roof. The façade is gable ended with a south wing. There is a partial porch with tapered square columns on the west elevation (front). There is a bay window on the front. The porch has been considerably changed to a simply design.

Significance: The criteria of eligibility are associated to Criterion A & C (Properties significant for its association in or linkage to events, and architecture/artistic value) for its significance to the history of Northampton / Northville the First United Methodist Church of Northville and for its interesting and unique design. This was the second Parsonage to the Methodist Church.
